

A 90-day social media marketing plan provides the time to receive valuable insights into the overall strategy, and to measure how your plan resonates with your audience.

Social media can be playful, educational, and beautiful. With over 20 years of marketing experience, JB Consulting Systems can help you design a social media calendar with crafted messaging to spark audience engagement and business growth. Our team of marketers are hip to the latest trends on social media marketing, and will partner with you to create a social media calendar that will achieve your goals. From guidance on which platform would work best for your business, to developing the calendar, to publishing your posts we can help with it all. Take your time back and contact us today to learn more about our 90-day social media packages.
